FUSION IQ™

The world's most advanced heat press just got smarter. The very latest from Stahls' Hotronix® is the Fusion IQ™. This technologically advanced heat press provides your business with complete insight into job and operator performance, and allows you to make proactive data-driven changes in real time.

WORK SMARTER, NOT HARDER

The one-of-kind Hotronix® Fusion® just got smarter with the Fusion IQ™. Whether you prefer to operate with a draw or swing press, the Fusion IQ™ has you covered. This flexible feature gives you 100% access to every inch of the 16" x 20" lower platen, allowing for easy, precise placement and positioning right on the press.

The Fusion IQ™ gives you access to stored application instructions, a larger and more responsive interface, once-click software updates and self-diagnostic capabilities. Plus, you'll have the peace of mind knowing you can manage your press from any place, anywhere with the Fusion IQ™ Portal.
