Print vibrant color + white designs directly onto candles, waterslide decals, labels, stickers, window clings, magnetic paper, and more!

Buy One Printer. Get Eight Functions!

The UNINET® IColor™ 650 does it all.

1. White Overprint® for textile and apparel applications.
2. White Underprint® for printing onto black or clear papers.
3. Dye Sublimation applications.
4. Fluorescent Color printing that glows under black light.
5. Clear toner printing for watermarking and use with IColor™ Glitter B Transfer Paper.

6. Gold and Silver color printing capabilities for metallic accents on paper applications.
7. Security toner printing.
8. Regular CMYK printing for everyday, non-transfer-related projects.

You can swap back and forth between conventional and specialty toner cartridges, eliminating the need to purchase separate printers for each function.

The I Big Time, IColor™ 650, why settle for anything less?

All the Benefits You Trust - Exclusively from UNINET®. Every IColor™ 650 White Toner Transfer Printer ships complete with:

- Advanced IColor™ ProRIP™ and SmartCUT™ software comprehensive packages.
- The exclusive White Toner Master Class Video Series Training (a \$695 value).
- 25 Free Graphics to use for your projects.
- White Toner Beginners Notebook.
- 2-year warranty.

LEARN WHY THE ICOLOR™ 650 BEATS THE COMPETITION

Experience why the IColor™ 650 white toner printer dominates the competition!

Here's \$1,000 reasons why:

- Priced \$1,000 lower than competing brands.
- Included black toner and drum unit.
- Ability to underprint white for non-transfer applications like waterslide and printing onto black or clear paper.
- Swappable toner cartridge kits like Dye Sublimation, Fluorescent, Clear, Security, Gold, and Silver.

- 1200 dpi vs. 600 dpi.
 - Built-in Wi-Fi connectivity.
 - Included specialty software – IColor™ ProRIP™ and SmartCUT™.
 - Faster processor.
 - More memory.
 - Modern touchscreen display vs. tactile buttons.
 - Latest hardware vs. 10-year-old hardware.
 - Brighter, more opaque fluorescent white printing.
 - 10,000 page white included vs. 4,500 page white included.
 - Built-in duplexing printing.
 - Included graphics for your projects.
 - White Toner Masterclass Video Series Training.
 - White Toner Beginner's Notebook.
 - Preconfigured to print on all IColor™ specialty transfer papers and media (sticker papers, window clings, black stocks, magnetic media, temporary tattoo media).
 - Banner printing capable.
